Having conversations with my plug through the email
Boy, I heard you beating on your bitch, you a female

Pull up to the carwash to get my whip detailed
I just scammed a nigga online through my email

Send my cash up to a jugg, she sent her details
Chillin' on Miami Beach, I just stepped on a seashell
Unfollowed a lame nigga who was postin' bullshit on my TL
Bought some shoes half off then charged a lame nigga retail

Your mans locked up for a thousand and can't make bail
I just fucked a bitch so hard, I made her yell
I just bought my bitch so good, she got Chanel
But we got into it 'cause she caught me texting Chantel
Lame nigga said he gon' kill me on my voicemail
This some fire Cookie, bitch, I'm smoking on oatmeal

How you flexing money on the 'Gram but don't pay no bills?
Rapping this long and I still ain't got no deal
I got a young nigga that's hungry for a hot meal
I gotta clean out my system, I bought a pro pill
Boy, I heard you got bitched while you was in jail
My nigga sittin' in the system, I gotta send mail

Rolled three grams up, then I inhaled
We in the SRT8, finna fishtail
Just bought a fake ID, my name Kendall
I just scammed an actor, it was Washington, Denzel
I don't wanna fuck your bitch, she got a fish nail
Pop Percs and drink lean, my mama think I'm mental
I just poured a pint and woke up in the spittle
It's fucking with my teeth, I gotta go to the dentist

It got my teeth aching, I gotta go to the dental
Couldn't sneak a knife into school, I stabbed a nigga with my pencil

Tried to play me out my cheese, blew his house up with a missile
Grab the AR and pop his ass like a pimple
Brodie on tip, he just popped another Skittle
You the monkey in the middle and your bag very little
Gotta get out of Detroit, this bitch colder than an igloo
You ain't drippin' 'cause you spent eighty dollars on a Kenzo

Ridin' in a rental and this bitch got tinted windows
Broke up with my bitch and she broke all my windows

I broke up with my bitch and I just used all her info

Just catfished a lame ass nigga on Tango
Just got a CPN and bought an SRT Durango
Fordham niggas lame, they keep stealing all our lingo
Made twenty thousand playing blackjack at the casino
I see my future bright like FBG Casino

And she's a stupid fan, she keep thinking that I'm Beno
Bitch, I'm Kasher Quon, chill, 'cause you know

Me and bro fuckin' with them cards, no Uno
Got a hundred K in a week when we dropped "Dynamic Duo"

I'm 'bout to catch this nigga on his bike like Lil JoJo
I just met up with a Mexican and he said, "What up, loco?"
I'm tryna shoot a fire visual, call Coco
I got your bitch jerking on my dick like a pogo

I just touched down like Chad Ochocinco
I just asked my bitch, "What you botherin' me for?"
I just beat a nigga ass like Craig did Deebo
You an Instagram comedian, Eastside Ivo

Bitch, keep tryna start shit with me, you gon' be single
Lame nigga made an account on LetsMingle

His bitch in my DM like, "Hey, I wanna meet you"
A nigga fucked up, I swear I wouldn't want to be dude
I just want to fuck, lil' bitch, ain't mean to be rude
Nigga think he gon' come up off basement tattoos
I just fucked a grown lil' bitch with thirty tattoos
You just fucked a dirty ass bitch that smell like a raccoon
