My nigga lee I think we got anotha one
Come On

Learned so many methods off of ICQ
Just added a flash so you can't hide nigga I see you
Sent a few bullets through yo body now you see through
This bitch think she sweet cause she took a picture of seafood
Just met this bitch yesterday and she sent me nudes
Turnt the TV off I seen myself on [?]
Principal kicked me out cause I brought my [?] to the school
Feds came to my door damn I think I bought the wrong credentials
He tried to flex his prom whip but we know that that's a rental
Sent a white ham inside the store I think her name was rachel
When I sent my nigga to yo house that's when you met an angel
I just fucked a nigga bitch and her name was angel
Bought a new scope so I can hit you from a further angle
Got a couple beams and they look like some triangles

I was bout to kill my opp but he said a prayer
Couldn't bring a knife inside a jail I had to bring a razer
He got a.22 gun the bullet look like a fucking razer
Gettin' head from anotha' nigga bitch that shit so amazing
Cut off a lotta' fluke ass niggas cause they animated
Stop telling niggas that we family we is not related
My niggas cuss me out cause ion keep the blunt in rotation
Sent a few bullets through his car that bitch start rotatin'
Was bout to cut my teather off cause I was tired of bein on probation
I just made a fake GoFundMe someone send donations
I'm
Been rappin 10 years you still you the same location
Kill a nigga in my hood catch a flight then go take a vacation
He tried to flex on me but got humiliated
Lil nigga think he sweet cause he got human races
I don't do no business with black niggas I'm so racist
Scared to sleep at night cause I'm sleepin with these dead faces
Grindin' every day cause my niggas still got fed cases
You can't convince me that its loud just cause its in a case
Plug sent some fast boas to me they hit home base
I'm droppin 6, 000 same day any boa
(Nigga imma kill you when I see you)
We gone say okay
Scroll down on Instagram and that boy was dead the next day
Imma move outta down when I bust this next bank play
I just fucked a ratchet ass bitch up at [?]
Get a CPN so I can purchase me a landscape
Got kicked outta the studio cause I was goin too ape
I remember bein in the hood playin basketball on 2 crates
I just slapped the fuck outta my mans cause he was wearin bape (Bitch !)
