I told tee to hop on this beat cause its groovy
I'm finna take my bitch to the mall for a smoothie
And then catch a flight to MIA to fuck my groupies
I spent all my 20's now I'm only riding with blue cheese

Tried to argue with my girlfriend she tried to wear a two piece
Knocked em out with a two piece
Rode a backwood no natural leaf
Drained a whole 4 in a green leaf sweet tea

Just got over on a nigga and sold him a old CCV
And I just left his bitch house she had a bubble back TV
Walking out of Walmart I had a fat TV
Walking out the casino I had just a green TD

Told the bitch ion got no type like I'm Swae Lee
I just popped a percocet a Xanax and an ecstasy

I just smoked some peanut butter some runts and some [?]

With the illegal empire being go selling cookie
For 5000 book me

For 7000 book both
Just bought a new closet giving away all my old clothes
I got some new bitches I gave up on all my old hoes

Gave your bitch back shots I still got on my shower robe
Only smoke exotic weed cause when its regular I don't be glowed
I'll be still scamming when I'm old

Just fucked the bitch and she was old
45 to be exact
Spent 55 and tax

Ain't nobody call the answer man
[?] was black look at the aftermath
Eating ham so imma tax his ass

A jugg tried to send through cashapp so imma wack his ass
A nigga tried to set a play on me imma kill his ass

I'm tryna have 20, 000 hoes at my birthday bash
