If young Metro don't trust you, I'm gon' shoot you

Up late on my computer and I'm lookin' for new sites online (Late)

I'm tryna find new Tor sites 'cause they shut all the old ones down (Damn)

Man, this shit so hard to find, but I'ma keep on tryin'

'Til I find a good method that'll let me pull a hundred thou' (Where they at?)

When you walk into my crib, a bunch of credit cards just layin' around (Look around)

Tryna make some millions out these banks, I can't be playin' around (For real)

Handed my card over to the clerk so I'm just prayin' now (Here you go)

Soon as she told me it approved, I got a big smile (Thank you)

Used my cash back method up on Livernois and 6 Mile (Fire)

Got some free iPhones 'cause I re-rocked Apple six times (Six times)

Duplicated somebody's credit card, it was not mine

Made a half a million myself off of scammin', I am not lyin' (No cap)

I only like to sell my iPhone to the foreign buyers

'Cause I know if I bring 50 to the shop, it won't be no problems

Changed a couple of my methods 'cause of all the verification problems

Yesterday I met up with my Asian hacker and he live in Harlem

If you a rookie, you're just better off just scammin' 'cause the swipin' harder

When the feds came and pulled me off the stage, it had my heart beatin'

I'm up early waitin' on the FedEx truck while you're still sleepin'

I already dropped a fake check in your account if you used it recently

Made \$12, 000 out of Wal-Mart and that was just recently

We can probably go BIN for BIN for the right reasoning (For real)

Had the Nike method for years, but I'm never usin' it (I don't need it)

I got \$30, 000 out of Wells Fargo, everybody confused (What the y doin'?)

These, uh, L.A. mothafuckas supposed to see me, I'm 'bout to come back in. I don't give a fuck, nigga, I just got back out today, I'm back on my grind. Thought the cops was gon' stop me. Fu

ck a cop. They thought it was cap last time so I had to go and do that shit. I got my laptop signed by Teejayx6, though. What just happened, bro? What just happened, bro? Oh, shit... that's crazy, what just happened, bro?
