

Prom Days

TeejayX6

D-d-drop a fake check, sit back, and watch it clear
It's a chase on the floor, but it's only been a year
You ain't gon never get no money, cause yo heart full of fear
Bust a chase down for 50, danm near shed a tear
What you stack in a year, I made in one play
I was supposed to send his half, but I woke up too late
Niggas hoes, all they missing in a toupee
White boy cash app me 8000 every Tuesday
Was busting jugs back when niggas had blu ray
Said he gon rob me, "Yeah aight", like I'm Blueface
My plug got the bowls in for the 2 8
But we ain't scamming no more, I found a new way
Frequently punching up at the cafe
Fucked a bitch so good, I made her back break
I'm trynna jam pack the safe, til the latch break
I'm constantly pouring Wok, I got a toothache
I'm constantly writing scripts, like a ese
Don't like niggas, sell phones to my ese
Not the beat man, but I'm plugged in with Jose
This ain't enough, told that nigga "Send so mo weight"
I'mna kill my bitch if she cheat, like I'm OJ
Say you getting all this money, "Nigga ok."
My cousin still owe me 10 from the last play
Imma fuck around and rob his ass if he don't pay
You trying to get my old drip, boy it's too late
I tried to short him on a bowl, he said "Reweigh"
Unc been checking niggas up in prison, since the first day
Punch the phones up, and pay the fees with my prepaid
Bitch you fucked up with a bum, you need to upgrade
Vacuum seal the bowls, and wipe em down with some pomade
Ain't go to school, so I never had my prom days
Fuck my past, we in a whole different timeframe nigga
