

## Steal Clothes

TeejayX6

Got designer on from head to toe, you don't see this often (just look at me)  
Bitch I'm fresh to death, I belong somewhere in a coffin (I belong dead)  
She only hit the weed once, this bitch steady coughin (coughs)  
Can tell from a distance that's it's on me from the way I'm walking (For real)  
I ain't have time to order this, so I went and bought it (Had to go grab it)  
Forgot I told my nigga to look out, hopefully he caught it (Hold on bro, catch that)  
Just poured 8 lines today, got me feeling nauseous  
I on really fuck around with bars, but my nigga off it (That nigga rollin)  
That bag just touched down, that's a field goal  
100 thousand in some days, that's a real goal (100k)  
Send a bitch to Tennessee to get them pills gone (\*Whistles\*)  
You dirty ass niggas run in the mall, and just steal clothes (Bum ass niggas)  
Keep running off on yo plug, you just steal bowls  
You got exposed once nigga, and everybody still know (Careful boy!)  
I get so many jacks in, they think I steal phones (For real)  
You don't wanna hang where I be, it's a kill zone (Don't come around here)  
Niggas need to worry bout all them bills owed  
Think niggas need some help out here, call me for a loan (Just call me)  
Tired of all these young bitches acting like they grown  
Claim you Big meech out here, throw yo dog a bone  
Don't think it's coffee cause I'm sipping out this styrofoam (This juice)  
Can tell you don't want no money, you admire hoes (Lame ass nigga)  
Fuck that petty shit, told my plug send an entire load (Send it through bro)  
We mighta fucked a few times, but ain't no titles though (Nah this ain't that)  
I see you in that new whip, where the title though? (Where it's at?)  
Can't speak English with my plug, I say "Adios" (Adios)  
Can't be slipping, know I keep that bitch mighty close (It's right here)  
I just got the feedback, they say it's good to kill somebody though  
We ain't fam, you just know somebody that I know (We ain't fam)  
I need a presidential rollie, I ain't even vote  
Don't come around with bullshit, cause I want all the smoke (Do

n't even do it)

Been balling too long, so I'ma just sit back and coach
