Ok Kam

You just tryna' fuck all of the hoes, I got bigger goals
I see a bitch I hit on Instagram every time I scroll
The fit cost me five racks, I coulda' swiped it though
You the bitch in the relationship you don't got no control
I don't trust these niggas anyways I ran it up alone
Lil cause was broke a year ago put him on payroll
Know the consequences to the game before you enroll
Made my first 50 on scams and said I gotta' do this shit some more
I just bought a brand new crib with all white neighbors
Red bottoms on you won't catch me in no white lows
Know the feds watching so I might as well strike a pose
All my Cash Apps be getting blocked I'm tired of buying phones

Homemade silencer when I kill you die in peace
Niggas rocking fake designer probably got that from the fleet
While I'm somewhere laughing, bouta order it for free
All I gotta' do is go online and buy a CVV
Ain't ever ran from no beef, I can put that on the bible
Get a check every month, like a bitch get her cycle
Only in this game to win like the NBA Finals
Respect niggas getting money but I ain't ever have no idol
They gon' think I'm hunting deer with this long ass rifle
Still scamming everyday it ain't the time to go viral
Niggas coppering mega links thinking its the fraud bible
Fraud put him in the integration room he sung like American Idol

You just tryna' fuck all of the hoes, I got bigger goals
I see a bitch I hit on Instagram every time I scroll
The fit cost me five racks, I coulda' swiped it though
I gotta' let bro hold the Glock cause I'm on parole

Wake up in the morning hustling, I do this shit daily
It's a drive for the exotic, I gotta charge 80
Me and my Glock go together perfect, just like rice and gravy
Kids won't approve for iPhones I need grown men and ladies
Hell naw this ain't a sketch you know I had to come Mercedes
Security followed this bitch make sure I make it home safely
Giving scam lessons sign up for my program
Let a nigga hit the x6 he was like God damn
Don't do business through the phone, hit me up on telegram
Too much shit inside this car to get caught in traffic jams
\$6, 000 for my luggage you heard of Louis monogram?
Broke nigga flashing George Washington's and Abrahams

That's it bro, that's it
