She got a long neck  
When you at my crib, take yo shoes off at the doorstep  
Hey y'all, please listen to me, I got somethin' to confess  
I killed a nigga yesterday, then went shoppin' at Somerset  
My opp died yesterday, I'm happy as hell, my summer set  
Swimmin' in this bitch, I think I'm gon' need a lifevest  
I just scammed a grown-ass man with a hairy chest  
I'm a cannibal, kill a bitch and then eat her flesh  
All I do is like to get money, that's what I'm best at  
I'm 'bout to go get some iPad's out of Best Buy  
My car broke down, I grabbed a bike at the bike shop  
I heard a good place to hide bodies at is a tire shop  
Bum-ass nigga went outside with Nike flip-flops  
I'm real bipolar, my attitude be flip-floppin  
On the road, I gotta piss, take a stop at the pit stop  
I'll slide down a nigga block with a big chop  
Shoot a nigga quick, I ain't wrestlin', I ain't Big Show  
Shoot a school up, now they got me on death row  
If 2Pac was alive, I'd be signed to Death Row  
This bitch said I got her shit boomin', I ain't Metro  
My son in his room, I'm mad, like "what you make a mess for"  
I just slapped a lame-ass nigga from Mexico  
She just want to get cute for the 'Gram, she a messy hoe  
Go to New York and shoot up Everyday Struggle  
Why he hatin' on the young niggas, fuck Joe Budden  
Nigga did not say he was an opp, fuck yo cousin  
My family member did some weird shit, fuck my cousin  
Why he send my little bro to 20 years, I'mma kill the judge  
But they can't prove I did it like OJ when he tried on the glove  
I ain't gettin' back cool with niggas, I'mma hold a grudge  
My bitch bad as hell, she darkskin like chocolate fudge  
You ain't get money like that, nigga, watch yo budget  
Peek yo head out the window, and watch, I bust it  
Groupie hoes in my DM just tryna buss it  
Just got a new gun, where the opps, I'm tryna bust it  
Nigga got a [?], you need to bust it  
You ridin' in that lil' ass car, you need to crush it  
A nigga slid down and threw rocks and left, that's why my windows busted  
Brand new Glock and AR, and the scope adjustable  
Back in 30 days, so I only be eating noodles and lunchables
