Teen Idols

give it a chance and maybe it'll turn out better than it's supposed to  
broken romance shouldn't leave you sayin' never 'cause you'll never have a clue  
I've seen it before you're lockin' the door 'cause you're scared of what's waitin' out there  
just take my word you're being absurd will you go if I double dare you can't make me think you don't care  
I know a girl who's scared of the world but won't say why she don't like it I've said all a long  
'there's nothing wrong' but she won't listen in a bit you two would make a perfect fit oh yeah 'cause you both deserve it
