Sugar pop Funky pop Coffe tea or me baby Touche ole My opening line might be a bit passe but don't that i dont know what i'm feeling for you cause i got a vibe on yo the first time that i saw you saw you i need your love and i wont bring no pain a little birdie told me that you feel the same i'm for the real and for you i'm true blue lets make a deal sugar all i want to do is be your one and only lover i just want to be your lovergirl i just want to rock your world heeey hey heey heey heey heey Hook, line and sinker baby, that's how you caught me My second verse might be a bit old hat But don't think that I don't know what it's doing to me 'Cause I got a vibe on you the first time you saw through me, through me I need your love and I won't bring no pain A little birdie told me that you feel the same I'm for the real and for you I'm true blue Let's make a deal, sugar, all I want to do is be your one and only lover I just want to be your lovergirl I just want to rock your world Hey...hey...hey... I just want to be your lovergirl I just want to rock your world Hey...hey...hey... Baby, let me groove you Let me groove into your love I just want to be your lovergirl Let me prove it to you Baby, let me rock your world I just want to rock your world Baby, let me soothe you Let me smooth into your love I just want to be your lovergirl Let me prove it to you Baby, let me rock your world I just want to rock your world Coffee, tea or me, baby, touché ole My opening line might be a bit passé

But don't think that I don't know what I'm feeling for you

'Cause I got a vibe on you the first time that I saw you, whoa...

When the push comes to shove
And you need a little love
Let me put some rock into your world
Call me up don't be shy
For my love will make you high
I just want to be your lovergirl
