

## Opus III (Does Anybody Care)

Teena Marie

Memories past but not forgotten  
The dye is cast-Soon ripe-Soon rotten  
"Ars longa vita brevis-Art is long and life is short"  
My euphonic heartache-Do I brag, complain or sport  
It's not enough to say you care  
You've got to spread the word  
Have you heard  
Jesus was just a man  
The Bible tells us so  
He gave more than just his hands  
And he never said no...
