I'm a bluebird, I'm a sapphire
I'm a nightingale
I am flying, soulful winters
Who will tell my tale?
I am a hummingbird, a free flying bird
I am the wind beneath your wings
I am a white dove
Unconditional love
I am the everflow... your dreams

I'm a raven, I'm an eagle
I'm a lovely swan
Time is passing, everlasting
I will linger all
I am a soulful bird, a free flying bird
I am the twigs that make your nest
I am a white dove
Unconditional love
A mother's love that always remains

I'm going home today
My home is just around the pier
But I won't say goodbye
I'm only stay until we meet again
I'm gonna spread my wings
A phoenix rising through the flame
And all the earth will know and hear
