

Turnin' Me On

Teena Marie

When you came into my life
I was a victim to your charms
A virgin to your love

A stranger to your love, boy
You swept me off your feet
You took me by surprise
All the beauty in the world
You made me believe in myself
For you I have the greatest world

Just say it, say it

Hoo, hoo, hoo, hoo, yea
You feel like turning me on
Turning me on
Hoo, hoo, hoo, yea
You feel like turning me on
Turning me on
On and on now, baby
Touching, touching, feeling burning fever

I feel the magic in your touch
I feel the music in your heart
And from the bottom of your love and that's the place
I think I'll stop to get to know as much of you
That I can learn in one right time, boy
You're all I think about
If you decide that I can make it
To the highest grounds will take are love together

Just say it, say it
Whoo, whoo, whoo, whoo, yea
You feel like turning me on
Turning me on
Whoo, whoo, whoo, yea
You feel like turning me on
Turning me on
On and on now, baby

Whoo, whoo, whoo, whoo, yea
You feel like turning me on
Turning me on
On and on now, baby
Touching, feeling moody fever

Mmm, I love the way that you touch my body, baby
Turning, burning, ooh, ma, ma, ma
Turn me on, baby

Turning me on, sugar
Turn me on, darling; turn me on, baby, turn
Come on, baby, baby, baby, baby
Feel it, feel it, feel it, feel it, feel it, baby

When you touch me, baby
You know it drives me crazy

When you touch my body
Something freaky happens to me

When you touch me, baby
You know it drives me crazy
When you touch my body
Something freaky happens to me
When you touch me, baby...
