

No Hugging No Learning

Teenage Bottlerocket

[Verse]

Why must you tell me everything that's on your mind?

No hugging, no learning

Sharing feelings is a waste of time

No hugging, no learning

[Chorus]

I've got feelings too, just like everybody else

Yeah, I've got feelings too, but, I keep them to myself

[Verse]

Why must you tell me everything that's on your mind?

No hugging, no learning

Sharing feelings is a waste of time

No hugging, no learning

[Chorus]

I've got feelings too, just like everybody else

Yeah, I've got feelings too, but, I keep them to myself

[Outro]

No hugging, no learning

No hugging, no learning

No hugging, no learning

No hugging, no learning
