

# Handyman

Teezo Touchdown

Okay

Reach into your toolbox  
Grab a hammer and some nails  
I know that there's a Heaven  
'Cause I've been through Hell (Woo)

Mr. Handyman  
You can fix anything, I'm broken  
I need more than glue  
Mr. Handyman  
You can fix anything, my heart is broken  
What am I supposed to do? (Woo)

Inside that big toolbox, is there a new heart?  
I may look tough on the outside  
But on the inside, it's tearing me apart (Woo)

Mr. Handyman  
You can fix anything, I'm broken  
I need more than glue  
Mr. Handyman  
You can fix anything, my heart is broken  
What am I supposed to do? (Woo)

I need a miracle, a miracle, a miracle  
I need a miracle, a miracle, a miracle (Somebody call)

Mr. Handyman  
You can fix anything, I'm broken (Broken)  
I need more than glue (Somebody, somebody call)  
Mr. Handyman  
You can fix anything, my heart is broken  
What am I supposed to do? (What am I supposed to do?)

Mr. Handyman  
You can fix anything, I'm broken  
I need more than glue (Somebody call)  
Mr. Handyman  
You can fix anything, my heart is broken (Broken)  
What am I supposed to do?
