

Heart For Sale

Teezo Touchdown

I got a heart for sale
I got a heart for sale
I got a heart for sale
I got a heart for sale
I got a heart for sale
I got a heart for sale
It's gon' be hard to sell (hard to sell)
It's gon' be hard to sell (hard to sell)
I can already tell
I got a heart to sell
I got a heart to sell
I got a heart to sell

When you try to play me
Make sure it's in HD
Imma call you baby
I lost my heart to [?]
Nothing doesn't phase me
I'm going through phases
My momma say I'm crazy, I said LOL
But then she's [?]
Apologizing for the smell
Your mom and dad said they want you with somebody else
I'm ashamed of myself
I'm just tryna make a name for myself
Make a lane for myself
Taught the game to myself
Keep a lame from myself
Only change for myself
Got my past callin' me, still not changing my cell
But oh well

I got a heart for sale
I got a heart for sale
I got a heart for sale
I got a heart for sale
I got a heart for sale
I got a heart for sale
It's gon' be hard to sell (hard to sell)
It's gon' be hard to sell (hard to sell)
I can already tell
I got a heart to sell
I got a heart to sell
I got a heart to sell
