

Nu Nay

Teezo Touchdown

Don't try to talk to me in the club
The music is too loud in the club
Why are we even in the club?
What year is it? 2000 and uh?
Spent my rent money on this cup
Please don't spill it tryin' to give hugs
Please don't spill it tryin' to give dap
You coulda said all that on the app
Peepin' Peter, don't forget to like
Sneakin' creeper, don't forget to swipe
Party pooper, don't forget to wipe
It's not on sight, it's only on sites
It's not all good, it's so Allwood
It's not all good, it's so all could
It's not all peachy, it's all in pieces
It's not all squeaky, sometimes it's squeakin'

Ain't (Oh)
I said, "Ain't" (Oh, no)
Ain't nothin' sweet but the nu nay
Ain't nothin' sweet but the nu nay (Nu nay)
Ain't (Ain't)
I said, "Ain't" (Ain't nothin' sweet)
Ain't nothin' sweet but the nu nay
Ain't nothin' sweet but the nu nay (Ooh)
