

Hello, I'm Right Here

Tegan and Sara

Right now, I feel so winded
Thinkin' that one day, we'll be ending

Until I've done all that I can (All that)
Until I've done all that I can

And so I said, "Hello, hello, hello, I'm right here"
Oh, "Hello, hello, hello, I'm right here"

Right now, I wish I was older
And right now, I wish I had closure

Until I've done all that I can (All that)
Until I've done all that I can

And so I said, "Hello, hello, hello, I'm right here"
Oh, "Hello, hello, hello, I'm right here"

Drinkin' with nothing to lose
I'm sorry I was late, I was so blue
Oh, my head hurts from holding your hand
And I'm young, but it's hard to believe
Yeah, yeah
That someday, I will never see you again
And you might not believe this, but you've changed me so much
Oh, baby (Baby), it's so hard leaving you
But maybe (Maybe), this was the only, only way

And so I said, "Hello, hello, hello, I'm right here"
Oh, "Hello, hello, hello, I'm right here"
"Hello, hello, hello, I'm right here"
"Hello, hello, hello, I'm right here"
