

Montón

Tei Shi

Used to be the type I chased
Might have had a pretty face
But didn't wanna do the things I did
Now I'm with a gentleman
He's the type to break you in
And it's no use trying to fight it

Tus pupilas se llenan de mí
Mi fragancia
Se mezcla con el vino tu beso y la ganja

Me gustas un montón
Thought about it with the lights off
Bailamos reguetón
And I think he kinda liked it
Me gustas un montón
Thought about it with the lights off
Bailamos reguetón
And I think he kinda liked it

Bodies on the floor
Bodies on the floor
Cancel my plans I don't need any more
Bodies on the floor
Bodies on the floor
Cancel my plans I don't need any more

Puede ser una ilusión
Igual mi mejor opción
Es dejar que tú me consueles

Tus pupilas se llenan de mí
Mi fragancia
Se mezcla con el vino tu beso y la ganja

Me gustas un montón
Thought about it with the lights off
Bailamos reguetón
And I think he kinda liked it

Bodies on the floor
