

## Thief

Tei Shi

I didn't take you for a thief  
You were just running with my feelings  
We were moving way too fast  
In the dark  
In the past

I know you want the moon but is my love enough  
To make it there?  
To make it fast?

I've been calling to the sea  
Letting go of me is bigger than you  
Something you should know  
It's just fate to be wandering on your own

Fucking up here  
Falling down here  
I wasn't looking for the truth  
But it's not like we were strangers  
I see the parts of me you wear  
In your eyes  
In your hair

I've been falling to my knees  
Letting go of please  
It's bigger than me  
It's something you should see  
I know I've been a fool but is my love enough  
To make it fair?  
To make it last?

It's okay, it's okay  
To be wandering on your own  
Fucking up here  
Falling down here
