

Bird Calls

Teitur

The way that we flock, no matter what
Follow the flyways until they stop
Bird calls

Laughter and longing, humming along
Frailty made up for in chatter and song
Bird calls
Bird calls, bird calls

Pregnant girl, very young boy
Logging a table, falling up the steps
In Chicago, Illinois

Irish American in an Irish pub
Sipping his Guinness, never drinking up
With Patrick and Sean

Bird calls, bird calls
Bird calls, bird calls
