

Hard Work

Teitur

The only work you know is hard work
It's gotta make you sweat, it's gotta hurt
Hard work, hard work

Hard work it's gotta be important
It's gotta be a service to the community
Hard work, hard work

It's gonna give you scars on your pretty little hands
It's never gonna make you rich, but it's gonna pay the rent
Hard work, hard work

Hard work it takes a lot of dedication
You gotta do that dirty work nobody can see
Hard work, hard work

It's gotta be time well spent
Hard work, hard work

The only work you know is hard work
It's gotta make you sweat, it's gotta hurt
Hard work, hard work
Hard work, hard work
