

There Will Be Places

Teitur

There will be places to go again
People to hug
Parties to have
Laughter to share
Glasses to lift
Music to hear
Children will play
There will be places to see again

There will be faces to see again
Brothers and sisters
Mothers and fathers
Maybe a cousin
Crazy old uncle
Married ex-girlfriend
Happy she's happy
There will be places to see again

So many moments will come again
Sitting with strangers
Crying at movies
Cheering in bleachers
Tables at restaurants
Menus and dishes
Musical theatre
Crowded together
DJs and dancefloors
So many moments will come again
