(Classic)
I'm addicted, I'm addic'

You are the love of my life
I fit to make you my wife
This feeling, I can't deny, yeah yeah
And when I look in your eyes
All I see is paradise
Baby girl, why so far
Baby girl, why so far far

Tonight will be the night that I will fall for you over again
Don't make me change my mind
Or, I won't live to see another day
Say, when you need shelter from the rain
I will be there time and time again
And when I give you dusty
Break yuh waist
I will be the doctor for your pain mama

Odo odo odoyewu
Baby mi like o, oleku
Tell something, tell me what to do
I will do anything for you
Odo odo odoyewu
Baby mi like o, oleku
Tell something, tell me what to do
I will do anything

I'm so addicted to you
I'm so addicted to you
I'm fucking 'dicted to you
Fucking 'dic 'dic n 'dic
I'm so addicted to you
I'm so addicted to you
I'm fucking 'dicted to you
(Can't believe it)

Never leave me lonely
Me and my baby
Everything I do
You're my lady
Girl, you're so soft
I go hold your body
Have you seen my shoes
I'll be dancing baby

Tell something, tell me what to do
I will do anything for you
