

# Holiday

Tekno

Tekno baby...tekno baby  
Say say  
Say say  
Tekno and Davido  
Gospel on the beat, that you already know  
Get money...get money  
Bad man

I remember back in high school  
I never knew I be the big boyz  
Now I am making money everyday  
And everyday is a holiday...holiday  
I used to watch her on TV  
Now she dey wake up for my bed o...o  
I live in a big ass house now  
I am number one on the countdown

And me a make every day be a holiday...holiday holiday  
And me a make every day be a holiday...holiday  
Say we buss up the place, and we make everyday be a holiday...holiday holiday  
So we make every night be a holiday...holiday  
Tekno and Davido say

Say me a badman  
Me a knock off the girl from the middle of the bed to your couch  
And when me come around, all the fine girls, see all of them dem fit start t  
o dey pounce...pounce  
See the boy ah  
See I am the best you ever know and you know say  
The man bad  
Your favorite style wanna copy my style...swagger  
GospelOntheBeat steady making hits when I sing song  
Everybody must to loving it  
I'm too fresh and your friend want to affiliate but you don come around me  
Me I educate  
Too much money for my bank  
That's why your girl dey for my kaban  
I'm doing nothing, just teaching how to dance  
Teaching how to dance

I remember back in high school  
I never knew I be the big boyz  
Now I am making money everyday  
And everyday is a holiday...holiday  
I used to watch her on TV  
Now she dey wake up for my bed o...o  
I live in a big ass house now  
I am number one on the countdown

And me a make every day be a holiday...holiday holiday  
And me a make every day be a holiday...holiday  
Say we buss up the place, and we make everyday be a holiday...holiday holiday  
So we make every night be a holiday...holiday  
Tekno and Davido

You say you want a man, I'll be your man  
If you want to cool off, I will be your fan

Take you every where baby, I go hold you hand  
And I go fly you so high and make you feel alright  
Oya baby take a night now  
The bottles will be popping  
All my niggas in here now  
So we light up the place, all night all day

You over there uhn  
You over there  
Sexy, you over there  
Come say, you over there  
You over there  
Me see you over there  
On the beat, Gospel over there  
Say  
Who's over there

Come closer mi jeje  
She want to go down on me nene  
Some show, na ni lele  
I want to go down on you nene  
She come close on mi jeje  
She wants to go down on you jeje  
She comes close on you jeje  
She want to go down, say na

I remember back in high school  
I never knew I be the big boyz  
Now I am making money everyday  
And everyday is a holiday...holiday  
I used to watch her on TV  
Now she dey wake up for my bed o...o  
I live in a big ass house now  
I am number one on the countdown

And me a make every day be a holiday...holiday holiday  
And me a make every day be a holiday...holiday  
So we buss up the place, and we make everyday be a holiday...holiday holiday  
So we make every night be a holiday...holiday  
Tekno and Davido say

You over there get money  
You over there Davido sexy  
You over there tekno  
Call him, GospelOnthebeatz  
Say you over there  
Me over over there  
On the beat, Gospel over there  
Ok, we say Who's over there
