

No Forget

Tekno

No forget
All the things wey you been promise
When you been dey for red
Girl I no forget
Cus only you been believe me
When I been dey process

Cannot let you waka... O we
Thing you do with Baka. O we
Julie, my Womie...
Nothing I no fit do for you truly

Only you be baby I want (I want)
Only you be baby I love (I love)
Only you be baby I want (I want)
Only you baby mi I love

She say no forget
All the things wey you been promise
When you been dey for red
Girl I no forget
Cus only you been believe me
When I been dey process

E go be as you like
I carry you for mind
I no go let you go
I no go
I no go let you go my...
Honey for life
You dey for miy mind
Always want to treat you right all the time
Girl you my motivation
For your sake girl I don't mind waiting
All those times you were way too patient
Even when guys been dey try come reason
Shawty, oh my shawty...
Your loving too necessary kama lole

She say no forget all the things wey you been promise
When you been dey for red
Girl I no forget
Cus only you been believe me
When I been dey process

She say no forget all the things wey you been promise
When you been dey for red
Girl I no forget
Cus only you been believe me
When I been dey process

Cannot let you waka... Owe
Tin you do with Baka. Owe
