

Peace Of Mind

Tekno

I dey hear plenty scores (yeah)
Say them no believe us (yeah)
But na God dey bless us
(But na God dey bless us)

Their mouth e sharp like scissor
Say they try their best to dey pressure me
But I live my life, I send nobody, I live my life 'cause

Peace of mind is underrated oh
That's why I'm patient oh
'Cause I know my time is now
Make nobody whine me oh

Peace of mind is underrated oh
That's why I'm patient oh
'Cause I know my time is now
Make nobody whine me oh, at all

Suffer no good
Every day, I'm up to something
So far, so good
I'm up and grateful
I remember I was wanting
When guys were flaunting
I see something

That's why I dey go get code
Pastorina, patori
Big molly, shift for me
Victoria, e don do me
That's why I dey go, go, go, go
Anytime I show, no apology
Omoge 'cause I know that

Peace of mind is underrated oh
That's why I'm patient oh
'Cause I know my time is now
Make nobody whine me oh

Peace of mind is underrated oh
That's why I am patient oh
'Cause I know my time is now
Make nobody whine me oh, at all

I dey hear plenty scores (yeah)
Say them no believe us (yeah)
But na God dey bless us
(But na God dey bless us)

Their mouth e sharp like scissor
Say they try their best to dey pressure me
But I live my life, I send nobody, I live my life 'cause

Peace of mind is underrated oh
That's why I am patient oh
'Cause I know my time is now

Make nobody whine me oh

Peace of mind is so underrated oh
That's why I am patient oh
'Cause I know my time is now
Make nobody whine me oh, at all
