Tekno

It's Krizbeatz the drama guy

I don't want no stress
I just want to flex
Can we have sex oh
I don't have no time to waste oh

I just want your toe toe
Toe toe, toe toe
I just want your toe toe
Toe toe, toe toe

You so fine baby, so nice baby
You so sweet baby, so sleek baby
I don't wanna lose you
I don't wanna choose you
Then confuse you, do like I use you

I don't want no stress
And you don't want no stress
Can we just have sex
I know that you want to

I don't want no stress
You don't want no stress too
Can we just have sex oh

I just want your toe toe
Toe toe, toe toe
I just want your toe toe
Toe toe, toe toe

Lets go, lets go, lets go
Do not go
Lets go, lets go, lets go
Do not go

Lets go there, lets go there
Lets go there, lets go there
Lets go there, lets go there

I just want your toe toe
Toe toe, toe toe
I just want your toe toe
Toe toe, toe toe

I just want your coco
Toe toe, toe toe
I just want your toe toe
Toe toe, toe toe

Lets go, go go go go
Lets go, go go go go
