

# All Around Me

Telecast

All around me, all around me

Grant me vision of You, my King  
With tears of joy I lift my voice and sing  
Jesus, I love You

I surrender to be near You (3x)  
You're all around me, all around me

Your perfect love is what I've come to (3x)  
It's all around me, all around me

Holy are You, Father  
You're my consuming fire  
Holy are You, Spirit  
You fan the flames of love  
I just can't get enough

Grant me vision of You, my King  
With tears of joy I lift my voice and sing  
Oh Lord, You love me so perfectly  
Jesus I love You
