

## Today

Telecast

Lord, I must confide  
This world, it makes me tired  
Please help me keep my eyes on You today  
When everything feels wrong  
I step back into the light  
Where I belong  
And everything's alright  
And I sing this song  
Jesus, I love You

'Cause everything has changed  
Ever since the day  
You came into my heart and made me Yours  
Everyday I'll say, in in every way  
I am Yours today

And when Your love collides  
I find that I'm defined  
Please help me learn to die in You today  
When everything feels wrong  
I step back into the light  
Where I belong  
And everything's alright  
And I sing this song  
Jesus, I love You

'Cause everything has changed  
Ever since the day  
You came into my heart and made me Yours  
Everyday I'll say, in in every way  
I am Yours today

I am Yours today
