

## Preamble

Telenova

I've got a feeling I've been here before  
Got a feeling I've been here before

Treading so careful, so lightly  
The future on the back of my hand  
Still I can't recall  
Bible taught me my kindness  
Now I can't bare the load on my own  
So I let my mind pick at the thread

I've got a feeling I've been here before  
Got a feeling I've been here before

Did I ever learn?  
Born into the dirt  
What difference to the animals?  
What do I deserve?  
When do I return?  
Born into the dirt  
What difference to the animals?

I've got a feeling I've been here before  
Got a feeling I've been here before
