

## Jennifer, Julie and Josaphine

### Television Personalities

Jennifer, Julie and Josaphine all want different things  
Jennifer wants a good career and comforts money brings  
Julie just wants a family of her own  
Three cheers for the family  
To take the place of one she's never known  
Josaphine lives in penthouse flat drives her open-  
top sports car  
Her father is a millionaire he's something in cigars  
Josaphine snorts her coke from a silver spoon  
And wonders where her life is going to

I've met different kinds from different places  
They drink in different bars with different faces  
All I know is you can take three girls

And there's no two girls the same  
And each one is my friend

Jennifer is a modern girl  
She goes to Goldsmiths College  
She's confident and self-assured  
She's studying business knowledge  
She knows just what she wants I'll give her credit  
But she'll walk over anyone to get it

I've met different kinds from different places  
They drink in different bars with different faces  
All I know is you can take three girls  
And there's no two girls the same  
But each one is my friend
