

Dance To The Music

Telex

Dance to the music
Dance to the music
Dance to the music
Dance to the music

All we need is a drum
For people who need a beat
I'm gonna add a little guitar
And make it easy to move your feet
I'm gonna add some bottom
So that the dancers just won't hide

You might like to hear my organ
I said ride Sally ride now
If I could hear the horns blow
Sitting here on the road

Listen to the message
All the squares fall out

Dance to the music
Dance to the music
Dance to the music
Dance to the music
