

# A Thousand Years

## Temperance

Heart beats fast  
Colors and promises  
How to be brave?  
How can I love when I'm afraid to fall?  
But watching you stand alone  
All of my doubts  
Suddenly goes away somehow

One step closer

I have died every day waiting for you  
Darling, don't be afraid  
I have loved you for a thousand years  
I'll love you for a thousand more

Time stands still  
Beauty in all she is  
I will be brave  
I will not let anything take away  
What's standing in front of me  
Every breath, every hour has come to this

One step closer

I have died every day waiting for you  
Darling, don't be afraid  
I have loved you for a thousand years  
I'll love you for a thousand more  
And all along I believed I would find you  
Time has brought your heart to me  
I have loved you for a thousand years  
I'll love you for a thousand more

One step closer

One step closer

I have died every day waiting for you  
Darling, don't be afraid  
I have loved you for a thousand years  
I'll love you for a thousand more  
And all along I believed I would find you  
Time has brought your heart to me  
I have loved you for a thousand years  
I'll love you for a thousand more... oh...

I'll love you for a thousand more
