Daruma
The darkness
Empire of magic
Daruma
The old doll
Daruma, unfaithful

Daruma
The darkness
Empire of magic
Daruma
The old doll
Daruma, unfaithful

When the full moon shines high, he's there
In the kingdom of hermitage
Anningan runs at the top of his speed
Chasing power and conquering

But his strength is still not enough to
Unveil the secrets of hermitage
If destiny will find the right way
His time will be doomed to come

But his strength is still not enough to
Unveil the secrets of hermitage
If destiny will find the right way
His time will be doomed to come

Waiting for fate to give him a chance
Searching for something to hold his spell
Waiting for someone who could help
Or for time not to run too fast...

But his strength is still not enough to
Unveil the secrets of hermitage
If destiny will find the right way
His time will be doomed to come

But his strength is still not enough to
Unveil the secrets of hermitage
If destiny will find the right way
His time will be doomed to come

He thus makes a wish by drawing an eye on a doll named Daruma
Waiting for someone to help Anningan himself in his chess game

But his strength is still not enough to
Unveil the secrets of hermitage
If destiny will find the right way
His time will be doomed to come

But his strength is still not enough to
Unveil the secrets of hermitage
If destiny will find the right way
His time will be doomed to come
