

# Full Of Memories

## Temperance

Hours and days pass, while Viktor feels his thoughts being so uncertain, and Anningan has almost fully recovered his strength.  
No one knows where he is hiding, but Irin wants to find him and put an end to all of this for good.

I wake up in the night, I know it's too late  
You won't be by my side. Yes, I'm afraid.  
Back then I had a friend who stood next to me  
Now loneliness is here embracing my dreams

Whispering in my ears, the devil's at my door!

It's so cold, I'm full of memories  
There's a song inside my head  
I can't keep all these melodies  
In the bottom of my heart  
One more step, one more day  
I can feel it in the air  
On my way to the sky  
Or to the end of the line?

What if I turn back? If I look behind  
Memories from my past still stuck in my mind  
My friend is still alive, he's not far from here!  
He might have lost its shape, his soul is still here!

Whispering in my ears, the devil's at my door!  
I don't wanna chase my dreams. They'll disappear with me!

It's so cold, I'm full of memories  
There's a song inside my head  
I can't keep all these melodies  
In the bottom of my heart  
One more step, one more day  
I can feel it in the air  
On my way to the sky  
Or to the end of the line?

It's so cold, I'm full of memories (It's so cold, I'm full of memories)  
I can't keep all these melodies (I can't keep all these melodies)

It's so cold, I'm full of memories  
There's a song inside my head  
I can't keep all these melodies  
In the bottom of my heart  
One more step, one more day
