

# My Demons Can't Sleep

Temperance

Why am I fighting another night  
With something I can't believe is real?  
I am restless and broken  
Why?  
I need you to tell me why  
The skeletons in my closet  
They're endlessly twisting my feelings  
I'm hiding from the darkest side of me

My demons can't sleep, they're wide awake  
And this is not the perfect day  
My demons can't sleep and I can feel  
That there's no rest or peace for me  
I want them to go but I know  
That's impossible  
I want them to sleep but they say  
They won't fade away

My demons can't sleep  
My demons can't sleep

How?  
I'm asking myself how  
How did I end up in here?  
Which was my mistake  
Time  
I'm running out of time  
I feel like I'm losing ground  
I am faithless, they're ruthless, I'm over  
Maybe sorry is the missing word

My demons can't sleep, they're wide awake  
And this is not the perfect day  
My demons can't sleep and I can feel  
That there's no rest or peace for me  
I want them to go but I know  
That's impossible  
I want them to sleep but they say  
They won't fade away

Turning and turning the story won't change  
Hiding my faults just drives me insane  
Running and running away from myself  
It isn't exactly the way out of hell  
Maybe the demons won't look at my cries  
Maybe they're trying to open my eyes  
What if the one to be blamed it was me  
What if I finally say that I'm wrong?  
What if I finally say  
Let it go!  
Will they fade?  
My demons can't sleep

My demons can't sleep  
They're wide awake  
And this is not the prefect day  
My demons can't sleep and I can feel

(My demons can't sleep, oh)  
That there's no rest or peace for me  
I want them to go and I know now  
It's possible  
I want them to sleep but they say  
They won't fade away

My demons can't sleep  
My demons can't sleep  
My demons can't sleep
