

# Side By Side

Temperance

Smile, laugh with me  
Life can be so sweet  
My friends, I couldn't stand  
A world without you

Anytime you can call my name  
I will come along to dry all of your tears

Walking side by side into the horizon  
When the sun goes down, I'll still be there  
You don't have to ask for a smile, be assured  
I'll wait for you

Walking side by side into the horizon  
When the sun goes down, don't be afraid  
You are not alone, singing so loud  
We'll wait for the dawn

Even if you'll be miles away from me  
You don't have to feel lost  
I'll be thinking of you  
Every time, I put my trust in you  
I look for your sincere hug, it is so healing

Walking side by side into the horizon  
When the sun goes down, I'll still be there  
You don't have to ask for a smile, be assured  
I'll wait for you

Walking side by side into the horizon  
When the sun goes down, don't be afraid  
You are not alone, singing so loud  
We'll wait for the dawn

Walking side by side into the horizon  
When the sun goes down, I'll still be there

There's nothing I fear  
You watch over me  
You give me advice  
Together we fight

Even when I'm feeling blue  
I can see myself in you  
Everything turns so clear  
In your eyes' reflection I find hope

Walking side by side into the horizon  
When the sun goes down, I know you'll be there  
I don't have to ask for a smile  
I'm sure I'll always find you

Walking side by side into the horizon  
When the sun goes down, I'm not afraid  
Together we are strong singing so aloud  
We'll wait for the dawn
