I'm so danger danger so Dangerous
(Baby I'm so Dangerous)
So Dangerous

I'm a villain
So Dangerous
Ah yeah, Let's go!

Let's start, feel that different zone.
Dance again to the beat of my decision
(We So Hot)
Flip the mood Like this
Come on, the chaotic festival is spreading, ma feel

Play the music and cross through the middle
I call you up and you follow my calling
Watch Out! Cause I'm coming!
Look into my eyes, bring the noise out
Move like this on this stage

Shout out louder
There's no time to hesitate
In this raging moment

Let's turn it all over
Make a chaotic festival
No one ever surrender
(Come on Come on)
Devour the stage Like a villain
Feel so like a killer
You know the feeling

Yeah I am so Dangerous Dangerous
Baby I love the feel inside
Shake the world I can't Resist
(You better watch out)

Now I'm So danger danger so Dangerous
(You know I like that)
I'm so danger danger so Dangerous
(Baby I'm so Dangerous)
So Dangerous

Yo, open the door, surprise you up, it's your defeat
I can break this boring play
You must be jealous, you imitate me
Surprised look Yeah I like it

Enemies keep telling me
What to do
Run away go away
The rules of the game have changed

The brakes are broken but I'm running faster
You run away quickly

Shout out louder
There's no time to hesitate
In this raging moment

Let's turn it all over
Make a chaotic festival
No one ever surrender
(Come on Come on)
Devour the stage Like a villain
Feel so like a killer
You know the feeling

Yeah I am so Dangerous Dangerous
Baby I love the feel inside
Shake the world I can't Resist
(You better watch out)

Now I'm So danger danger so Dangerous
(You know I like that)
I'm so danger danger so Dangerous
(Baby I'm so Dangerous)

So Dangerous

Our nights are forever
Remember this moment
The moments we were together
So I'm not afraid

Dreaming of dreams with my eyes open
Flyin' endlessly higher
Wake everything up freely yeah

Clear the stage, my place
Forget about the rules and play bad
Play on this stage, make it roll
Make yourself shake it freely as you wish

So come on, come on
Run till the end
Come on, come on
Let's go High
Break the limits, My way

Let's turn it all over
Make a chaotic festival
No one ever surrender
(Come on Come on)
Devour the stage Like a villain
Feel so like a killer
You know the feeling

Yeah I am so Dangerous Dangerous
Baby I love the feel inside
Shake the world I can't Resist
(You better watch out)

Now I'm So danger danger so Dangerous
(You know I like that)
I'm so danger danger so Dangerous
(You know I like that)
I'm so danger danger so Dangerous
(You know I like that)
I'm so danger danger so Dangerous
(Baby I'm so Dangerous)
So Dangerous
