

Slow Days

Temples

Well, you could've been an archetype
Or you could've been out on the ledge
There was a time when it felt alright
On the edge, on the edge
On the edge, on the edge

Well, you could've done something good
And you could've tried to understand
But you couldn't quite hold it tight
In your hand, in your hand
In your hand, in your hand

These days
Slow days
Go speeding on by, speeding on
These days
Slow days
Go speeding on by, speeding on
These days
Slow days
Go speeding on by, speeding on
These days
Slow days
Go speeding on by, speeding on

Well, you could've been good to yourself
Or you could've checked out instead
Tell me, would it have been worthwhile
In your head, in your head
In your head, in your head

These days
Slow days
Go speeding on by, speeding on
These days
Slow days
Go speeding on by, speeding on
These days
Slow days
Go speeding on by, speeding on
These days
Slow days
Go speeding on by, speeding on
These days
Slow days
Go speeding on by, speeding on
These days
Slow days
Go speeding on by, speeding on
These days
Slow days
Go speeding on by, speeding on
These days
Slow days
Go speeding on by, speeding on
These days
Slow days
Go speeding on by, speeding on
