

# The Howl

Temples

You talk like a lamb to the slaughter  
And you walk like a beast high on all fours  
Show them all how, rising up now  
Like the first time you wake to the call  
Though you might use your claws to control us  
And the storm's in the eye of our beholders  
How the wind cheats, such a pity  
It's the last time that you'll hear the call

Raise you head up  
Stamp your feet  
Hang the world down  
By a thread  
Rising up to  
Higher ground  
Steal your thunder  
Feel the howl

Raise you head up  
Stamp your feet  
Hang the world down  
By a thread  
Rising up to  
Higher ground  
Steal your thunder  
Feel the howl

Calling all in the world as they told us  
With the weight of their woes on your shoulders  
Have you ever felt so clever  
Like the first time you wake to the call?  
Can you prey on the weak when you rage through?  
Are you fierce when they fail to obey you?  
Did someone come steal your thunder?  
It's the last time that you'll hear the call

Know by now  
You know she's out on the prowl  
Shame somehow  
You've got to beg to be proud

Raise your head up  
Stamp your feet  
Hang the world down  
By a thread  
Rising up to  
Higher ground  
Steal your thunder  
Feel the howl

Raise your head up  
Stamp your feet  
Hang the world down  
By a thread  
Rising up to  
Higher ground  
Steal your thunder

Feel the howl

Know by now  
You know she's out on the prowl  
Same old prey  
You can tell by the howl  
Stepping out  
You know she's out on the prowl  
Shame somehow  
You've got to beg to be proud

Raise your head up  
Stamp your feet  
Hang the world down  
By a thread  
Rising up to  
Higher ground  
Steal your thunder  
Feel the howl

Raise your head up  
Stamp your feet  
Hang the world down  
By a thread  
Rising up to  
Higher ground  
Steal your thunder  
Feel the howl
