

Around You

TEMPOREX

I don't how to act
When I'm with you
I forget how to breathe
When I see you
I don't know what to put here
But just know that I like you

I just don't know how to talk to you
(Talk to you)
Diamond eyes when the sun shines thru
The birds are singing when I'm with you
(With you)
You can come come to my place and sit in my room if you want to
(Only if you want to)
