

# Milton Post

TEMPOREX

I know just what you're doing  
I've seen this all before  
You tried to talk but you blew it  
And now you asked where I've been  
(Oh boy I think I'll tell ya)

I've been at the Milton Post  
Getting my groove on  
I've been at the Milton Post  
Getting my groove on  
I've been at the Milton Post  
Getting my groove on  
I've been at the Milton Post  
Getting my groove on

Sit and stare if you want to  
You won't see this when you're awake  
So fall asleep  
Tell me more about you baby
