Baby I don't know what to do  
I'm just so damn far away from you  
I kiss you before you get onto the train  
Might not see you for months and that pains me to say

Momma wants to know why I'm acting like this  
I told her I was tired and I really had to piss  
But what I didn't tell her was that  
My heart left on a train, it won't be back until after May
