

# Neon ?

Temposhark

What's wrong?  
I feel like I don't know you  
I don't even recognise the perfume that I bought you  
What's wrong?  
I swear I didn't buy that  
Suddenly my memory is failing to provide one more  
excuse  
That I've frequently used to defend your every act of  
mishap...  
And there's a huge neon question mark flashing quite  
absurdly  
It's been blocking all my view to the door with a sign  
that reads:  
My mind is made up  
There ain't no going back  
Now my life is straight up  
I will get my money back  
Now my mind is made up  
There ain't no going back  
And my life is straight up  
I will get my money back  
Calm down  
Don't tell me we're surrounded  
No there's no police outside to keep me reprimanded  
Hands Up  
You may as well surrender  
I can't pretend I never knew of all your lush  
weekenders  
That you thought I had ignored  
Like that knocking at our door in the middle of one  
summer night... .

When a huge neon question mark was flashing quite  
absurdly  
It was blocking all my view to that door with a sign  
that read:  
My mind is made up  
There ain't no going back  
Now my life is straight up  
I will get my money back  
Now my mind is made up  
There ain't no going back  
And my life is straight up  
I will get my money back  
This is awry  
This is a cover up  
This is denial  
Another major fuck up, fuck up!  
This is awry  
This is a cover up  
This is denial  
Another major fuck up, fuck up!  
There's a huge, There's a huge, There's a huge neon  
question mark  
My mind is made up  
There ain't no going back  
Now my life is straight up

I will get my money back  
Now my mind is made up  
There ain't no going back  
And my life is straight up  
I will get my money back
