

## Boy O Boy

Tems

Oh no, oh no, mm  
Oh, oh, mm

You're a pain in my brain  
I might stay up a little longer  
You're killin' me, babe, I'm not playin'  
You don't do rubbish, you always do  
I wonder how I loved a thing like you  
'Cause I'm not really for you  
No, I'm not really for you  
You raise my blood pressure  
My headaches, my chest aches  
My heart breaks

Oh, boy, oh, boy  
Oh, boy, oh, boy  
Oh, boy, oh, boy  
Oh, you  
Oh, boy, oh, boy  
Oh, boy, oh, boy  
Oh, boy, oh, boy

Sometimes I want to strangle you  
But I have to sit and look  
I just have to look at you  
Sometimes I wanna choke you out  
And maybe even brush you up  
I just have to sit and look  
Sit and look at you  
Hold me in your mind  
This is the last time we will see  
Hold me in your mind  
There's nothing left of you in me  
Hold me in your mind  
Before I leave you on the streets  
Hold me in your mind

Oh, boy, oh, boy  
Oh, boy, oh, boy  
Oh, boy, oh, boy  
Oh, you  
Oh, boy, oh, boy  
Oh, boy, oh, boy  
Oh, boy, oh, boy
