

Mr Rebel

Tems

Yeah...

Mr Rebel
Mr Rebel are you there?
Are you talking to me?
Are you calling to me?
Fall in my arms Mr Rebel
Come in my heart Mr Rebel
Yeah...

Mr Rebel are you there?
Are you on me?
Are you scared?
Are you in?
Are you out?
What do you want?
What do you say to me now?
Falling
You're falling behind

Finally gone
I'm the one with the winning prize
I'll be the gun on the run
I'll be shooting tag
I'm the sound on the ground
I'm the winning sound
I'm the crown
I'm the vibe
I'm the leading vibe

You move me
You move me to arm my mind
I've been out
I've been at the other side
You take me out
I know you to be my friend
I've been down
I've been out now

Flying over the moon
I've been under the sun
And I didn't find nobody like you, no
I didn't find nobody like you

Mr Rebel
Are you there? Are you listening?
Rebel
Are you there? Are you still in the garden?
Are you there? Are you playing in the darkness?
Are you out?

Mr Trouble
Are you there? Are you listening?
Trouble
Are you there? Are you still in the garden?
Are you there? Are you playing in the darkness?
Now...

Mr Rebel
Mr Rebel are you there?
Are you running to me?
Are you coming to me?
Fall in my arms Mr Rebel
Come in my heart Mr Rebel
Yeah...

Mr Rebel are you there?
Are you on me?
Are you scared?
Are you in?
Are you out?
Who do you love?
Who do you call when you're down?
