

# I Don't Want to Go

## Ten Foot Pole

I'm in a hug, squeezed so tight, I can barely breathe  
Like I belong, a grip so strong, I almost believe  
That I won't be gone in a minute  
I won't be a world away  
And nothing seems more important  
Than the need for me to stay

I don't want to go  
I don't want to go  
If I knew how, I'd freeze time now  
I don't want to go  
I don't want to go  
If I knew how, I'd freeze time now

The minute spent, the grips relaxed, still I don't let go  
I don't want to walk away because I know  
There's no guarantee we'll be back here  
The only thing I know is change  
There's no coming back to this moment  
We'll never be the same

I don't want to go  
I don't want to go  
If I knew how, I'd freeze time now  
I don't want to go  
I don't want to go  
If I knew how, I'd freeze time now

And my eyes stay shut to hold you here  
'Cause I don't want to see  
The time threatens to separate  
And rip you from my grip, propel us  
Down the path where you are far from me  
Far from me

I don't want to go  
I don't want to go  
If I knew how, I'd freeze time now  
I don't want to go  
I don't want to go  
If I knew how, I'd freeze time now

I don't want to go  
I don't want to go  
If I knew how, I'd freeze time now  
I don't want to go  
I don't want to go  
If I knew how, I'd freeze time now

I don't want to go
