

Close your Eyes

Ten Sharp

Mr. Sleep will come for you tonight
After a tiring day to wash the blues away
Mr. Sleep is on his way tonight
He'll come to close your eyes in this dance on ice

The only constant thing in life is change

Close your eyes
And dream the dream of the innocence my child
Livin' it up and I believe in you
I...
I know that it comes to the rolling of the dice
Dancin' on ice and I believe in you
Mr. Sleep won't say no more tonight
You gotta live to tell and go for it as well
And then tomorrow comes you spread your wings
And you will learn to fly but keep the child in your eyes

The only constant thing in life is change

Close your eyes
And dream the dream of the innocence my child
Livin' it up and I believe in you
I
I know that it comes to the rolling of the dice
Dancin' on ice and I believe in you
