

Rich Man

Ten Sharp

Ever, every day
Ever, every way
Rich man

There's been a lot of talk
There's been a lot of fighting
I Had the street to learn
There's been a lot of fake
There's been a lot of lying
I know I had my turn

Every day in every way
I'm not ashamed to say that
I'm a rich man

I don't try to take the future
only small things can be planned
I'd better find the right way
on a proper day and take a
chance on happines

Every day in every way
I'm not ashamed to say that
I'm a rich man
Every Day in every way
I'm not ashamed to say that
I'm a rich man

Every day in every way
I'm not ashamed to say that
I'm a rich man

We simply got to lieve together
and let the child in us wake up
and return
If you believe in love
Ther's one thing left for sure
You gotta let it show
Don't let go
And give ait all you can

Ever, every day
Ever, every way
Rich man
